Dear Guardians

Jai Hind!

Subject: IPSCR–Libration Collaboration: Promoting a Culture of Reading

IPS-CR is proud to announce its partnership with Libration, a scientifically designed programme aimed at helping children improve their learning abilities, critical thinking and creativity, while also reducing stress and anxiety. The programme will be implemented through the school library and will encourage children to develop the habit of reading books.

As part of this initiative, an orientation programme will be conducted for students to familiarise them with the Libration Programme and its activities. The programme is for Grades III to XII; however, the orientation for students of Grades III to V will be conducted on 23 July 2026. An orientation session for students of Classes VI to XII was successfully conducted on 8 July 2026.

We look forward to the active participation of our students.

With Regards
