

Circular for Parent Involvement in School Activities (As per CBSE Guidelines)

Ref No. IPSCR/C&C/2025-26/033

Date: 14.07.25

Dear Guardian,

Jai Hind!

We are pleased to announce that our school is embarking on a renewed journey to enhance parent engagement in school activities and systems. We believe that the holistic development of students is best achieved when parents and educators work together in close partnership.

Active parental involvement not only strengthens the bond between home and school but also creates an enriched, supportive learning environment for our learners. To facilitate this collaboration, we will be sharing a Parent Engagement Planner every month, detailing upcoming activities well in advance. These activities will offer you opportunities to participate meaningfully in your child's school life and contribute to their overall growth.

We are happy to share the Parent Engagement Activities for the month of July, which are annexed below for your reference –
