MY MAGICAL DOLL

My magical doll is sweet and bright,
She sparkles softly in the moonlight.
With an alluring smile and bright eyes,
She fills my heart with merry surprise.
When I am alone, she sings a song,
Helping me feel brave and strong.
She waves her wand with gentle cheer,
And chases away all my fears.

She makes flowers bloom with magic light,
Turns gloomy days sunny and bright.
She brings rainbows after the rain,
And fills my heart with cheer again.
She loves to laugh, to dance, and play,
Making every moment gay...

She's my finest pal, kind and true,
With magic that feels fresh and new.
Though she's small, her love is tall,
She's the dearest doll of all.

I'll treasure her forevermore—
My magical doll, whom I adore.

THE LOST WALLET

One rainy afternoon, Aashvi was walking home from school when she noticed a small wallet lying near the bus stop. She picked it up and looked around, but no one seemed to be searching for it.

Curious, she opened the wallet just enough to find an identification card. It belonged to Mr. Sharma, who lived in her society. Aashvi decided to return it immediately. When she went to Mr. Sharma's flat, Mr. Sharma opened the door with a worried expression. The moment he saw the wallet, his face lit up with happiness and he seemed relieved.

"I thought I had lost it forever!" he said. "It contains important documents and some money."

Mr. Sharma thanked Aashvi immensely and offered her a reward. However, Aashvi politely refused.

"My parents taught me that helping others is the right thing to do," she replied.

Mr. Sharma smiled and said, "Honesty is a rare treasure. Never lose it."

As Aashvi went home, she felt happier than she would have if she had accepted any reward. That day, she learned that doing the right thing brings its own reward.

The next day as Aashvi woke up, she saw that her parents had gotten her a gift. She opened it and saw that it contained the new paint brushes she had always wished for. She raced and hugged her parents. "Thank you, mom! Thank you, dad!", said Aashvi. "Mr Sharma told us what happened yesterday. We are proud to see our daughter is so kind and honest" they said. In that moment she truly believed that honesty is the best policy.

खुला आसमान

खुला आसमान कहता मुझसे,
"आओ, सपनों को उड़ना सिखाओ।"

डर की सारी दीवारें तोड़ो,
नई दिशाओं को गले लगाओ।

सूरज देता सुनहरी किरणें,
चिड़ियाँ मधुर तराने गातीं।

हवा सुनाती नई कहानी,
उम्मीदों की लौ जगाती।

बादल आते, बरस भी जाते,
फिर इंद्रधनुष मुस्काता है।

जीवन चाहे जितना बदले,
साहस ही राह दिखाता है।

धरती से आकाश तक फैला,
अवसरों का यह विस्तार।

मेहनत, विश्वास और लगन से,
हर सपना होगा साकार।

खुला आसमान यही सिखाता—

रुको नहीं, बढ़ते ही जाओ।

अपने कर्मों की रोशनी से,
दुनिया को बेहतर बनाओ।

सपनों की उड़ान

चलो सपनों की राह चलें, मेहनत से आगे हम बढ़ें।

सीख नई हर दिन अपनाएँ, मिलकर अपना लक्ष्य बनाएँ।

अच्छे कर्मों की हो पहचान, सच्चाई हो अपनी शान।

हिम्मत, आशा साथ निभाएँ, अपने सपने सच कर जाएँ।

मुस्कान लेकर आगे बढ़ना, कभी न मुश्किलों से डरना।

ज्ञान, प्रेम और नेक विचार, बनाएँ जीवन खूब शानदार।

Träume haben Flügel

Jeder Traum beginnt ganz klein,
doch er kann etwas Großes sein.
Ein Schritt nach vorn, Tag für Tag,
weil jeder Mensch lernen mag.
Manchmal regnet es im Leben,
doch die Sonne wird es geben.
Hab Mut und gib niemals auf,
geh mit Freude deinen Lauf.
Freunde helfen, Hand in Hand,
gemeinsam schafft man jedes Land.
Ein Lächeln macht den Tag ganz hell,
ein gutes Wort hilft oft sehr schnell.
Glaube an dich, bleib immer du,
dann kommt das Glück ganz leicht dazu.
Die Zukunft wartet, groß und weit,
sie gehört der Hoffnung und der Zeit.
Darum träume, lache, geh voran,
weil jeder alles schaffen kann.

Dreams Have Wings

Every dream begins quite small,
Yet it can grow to stand up tall.
One step forward, day by day,
For everyone loves to learn and play.
Sometimes life brings clouds and rain,
But the sunshine comes again.
Be brave and never give up hope,
Walk your path with joy and scope.
Friends will help you hand in hand,
Together we can cross any land.
A smile can brighten every day,
A kind word drives the dark away.
Believe in yourself and always stay true,
Then happiness will come to you.
The future waits, so wide and bright,
Filled with hope and endless light.
So dream, keep smiling, and move ahead,
For anything can be achieved, it's said.

La science de la mémoire :

Comment notre cerveau se souvient

Vous êtes-vous déjà demandé pourquoi vous vous souvenez des paroles de votre chanson préférée, mais oubliez parfois où vous avez mis votre cahier ? La mémoire est une capacité très importante du cerveau. Elle nous aide à apprendre, à résoudre des problèmes et à garder nos souvenirs.

Notre cerveau forme les souvenirs en trois étapes : l'encodage, le stockage et la récupération. D'abord, il reçoit les nouvelles informations. Ensuite, il les garde. Enfin, il les retrouve quand nous en avons besoin. Plus nous faisons attention et révisons, mieux nous nous souvenons.

Les scientifiques disent que bien dormir, faire de l'exercice et manger sainement aident à améliorer la mémoire. En revanche, le stress, le manque de sommeil et les distractions rendent la mémorisation plus difficile.

Il existe aussi des méthodes simples pour mieux mémoriser. Par exemple, faire des cartes mentales, utiliser des moyens mnémotechniques, réviser régulièrement et relier les nouvelles informations à ce que nous connaissons déjà.

La mémoire n'est pas seulement utile pour les examens. Elle nous aide aussi dans la vie de tous les jours. En prenant soin de notre cerveau, nous pouvons apprendre plus facilement et mieux nous souvenir.

The Science of Memory: How Our Brain Remembers

Have you ever wondered why you remember the lyrics of your favourite song but sometimes forget where you put your notebook? Memory is a very important ability of the brain. It helps us learn, solve problems, and preserve our memories.

Our brain forms memories in three stages: encoding, storage, and retrieval. First, it receives new information. Then, it stores it. Finally, it retrieves it when we need it. The more attention we pay and revise, the better we remember.

Scientists say that getting enough sleep, exercising regularly, and eating a healthy diet help improve memory. In contrast, stress, lack of sleep, and distractions make remembering more difficult.

There are also simple methods to improve memory. For example, creating mind maps, using mnemonic techniques, revising regularly, and linking new information to what we already know.

Memory is not only useful for examinations. It also helps us in everyday life. By taking good care of our brain, we can learn more easily and remember things better.

Pour la Liberté

Le 14 juillet 1789, Marie est une jeune fille qui habite à Paris avec son père. La vie est très difficile. Les familles ont faim, le pain est très cher et les habitants sont en colère. Pourtant, son père garde l'espoir d'un avenir meilleur.

Très tôt le matin, il prend la main de Marie et lui dit avec un sourire :

« N'aie pas peur. Je me bats pour que les enfants de France vivent dans un pays plus juste et plus libre. »

Marie le regarde partir avec des centaines de citoyens vers la Bastille. Elle reste à la maison avec le cœur plein d'inquiétude. Toute la journée, elle entend les cris de la foule, les coups de feu et les cloches qui sonnent dans Paris. Chaque bruit lui fait peur. Elle prie en silence pour le retour de son père.

Quand le soleil commence à se coucher, quelqu'un frappe à la porte. Un voisin entre lentement, les yeux remplis de tristesse. Il annonce que le père de Marie est mort pendant l'attaque de la Bastille.

Marie tombe en larmes. Elle serre très fort le vieux chapeau de son père contre son cœur. La maison, autrefois pleine de rires, devient silencieuse. Malgré son immense douleur, elle est fière du courage de son père. Elle comprend qu'il a donné sa vie pour la liberté.

Les années passent, mais Marie n'oublie jamais cette journée. Chaque 14 juillet, elle regarde le ciel, pense à son père et dépose une fleur en sa mémoire. Pour elle, la fête nationale n'est pas seulement une célébration. C'est aussi un hommage à tous ceux qui ont sacrifié leur vie pour offrir un avenir meilleur aux générations futures.

Pour la Liberté- Translation

On 14 July 1789, Marie is a young girl who lives in Paris with her father. Life is very difficult. Families are hungry, bread is very expensive, and the people are angry. Yet her father keeps hope for a better future.

Very early in the morning, he takes Marie's hand and says with a smile:

“Don't be afraid. I am fighting so that the children of France may live in a fairer and freer country.”

Marie watches him leave with hundreds of citizens towards the Bastille. She stays at home with a heart full of worry. All day she hears the crowd, gunfire, and bells ringing. Every sound frightens her. She prays silently for her father's return.

When the sun begins to set, someone knocks at the door. A neighbour enters slowly with tears in his eyes and announces that Marie's father died during the attack on the Bastille.

Marie bursts into tears. She holds her father's old hat tightly against her heart. The house, once filled with laughter, becomes silent. Despite her grief, she is proud of her father's courage. She understands that he gave his life for freedom.

The years pass, but Marie never forgets that day. Every 14 July she looks at the sky, thinks of her father, and lays a flower in his memory. For her, the national holiday is not only a celebration but also a tribute to all those who sacrificed their lives for a better future.

अनमोल बोल

जयशंकर प्रसाद
(कामायनी के रचयिता)

① जयशंकर प्रसाद ('कामायनी' से):

“महत्वाकांक्षा का मोती निष्ठुरता की सीप में पलता है।”

(अर्थ: जीवन में कुछ बड़ा हासिल करने की चाह या महत्वाकांक्षा अक्सर इंसान को थोड़ा कठोर बना देती है।)

महादेवी वर्मा

② महादेवी वर्मा:

“मूक मुखरता का यह संचय, मेरी यह नीरव आकांक्षा!”

(अर्थ: दिल में दबी हुई गहरी इच्छाएँ भले ही शांत हों, लेकिन वे भीतर ही भीतर बहुत मुखर और शक्तिशाली होती हैं।)

सूर्यकांत त्रिपाठी 'निराला'

③ सूर्यकांत त्रिपाठी 'निराला':

“तोड़ती ही रही प्रतिपल चेतना के सब बंधन,
खोजती ही रही सीमा-हीन आकांक्षा नूतन।”

(अर्थ: आगे बढ़ने और कुछ नया करने की इच्छा इंसान को हर पुरानी रूढ़ि और बंधन को तोड़ने की शक्ति देती है।)

अज्ञेय
(सच्चिदानंद हीरानंद वात्स्यायन)

④ अज्ञेय (सच्चिदानंद हीरानंद वात्स्यायन):

“सन्नाटा भी एक गूँज है, जो भीतर की परतों को
झंकृत कर जाती है।”

(अर्थ: मौन में भी अतीत की बातें और स्मृतियाँ एक गहरी अनुगूँज की तरह गूँजती रहती हैं।)

रामधारी सिंह 'दिनकर'

⑤ रामधारी सिंह 'दिनकर':

“गया जो काल, वह तो काल ही था,
न उसमें कुछ हमारा भाल ही था।
मगर जो आ रहा है, वह हमारा,
उसी पर है हमारा भाग्य सारा।”

(अर्थ: जो समय बीत गया है, उस पर पछताने से कोई लाभ नहीं, क्योंकि उसमें हमारा कोई वश नहीं था। हमारा असली अधिकार आने वाले समय पर है, और उसी के सदुपयोग से हमारा भविष्य और भाग्य तय होता है।)

भावार्थ (हिन्दी)

- ◆ जीवन का प्रत्येक अनुभव हमें कुछ न कुछ सिखाता है। अतीत की स्मृतियों केवल बीती हुई घटनाएँ नहीं होतीं, बल्कि वे प्रेरणा का स्रोत बनकर हमारे भीतर नई आकांक्षाएँ और नए सपने जगाती हैं।
- ◆ सपने जीवन की सबसे बड़ी शक्ति हैं। जो विद्यार्थी बड़े सपने देखते हैं, वे उन्हें साकार करने के लिए कठिन परिश्रम करते हैं। केवल सपने देखना पर्याप्त नहीं है; उन्हें पूरा करने के लिए अनुशासन, धैर्य और निरंतर प्रयास आवश्यक हैं।
- ◆ शिक्षा का उद्देश्य केवल पुस्तकीय ज्ञान प्राप्त करना नहीं, बल्कि उत्तम चरित्र, सदाचार और आत्मविश्वास का विकास करना भी है। हमें सदैव सत्य बोलना चाहिए, परिश्रम करना चाहिए तथा अपने गुरुजनों का सम्मान करना चाहिए।
- ◆ आइए, हम सभी मिलकर ऊँचे सपने देखें, दृढ़ संकल्प के साथ कर्म करें और राष्ट्र की उन्नति में अपना योगदान दें। ऐसा करने से हमारा जीवन सफल होगा, समाज समृद्ध बनेगा और हमारा राष्ट्र गौरवशाली भविष्य की ओर अग्रसर होगा।

हिन्दी अनुवाद

- जीवन में प्रत्येक अनुभव हमारे लिए अमूल्य होता है। अतीत की स्मृतियों, गुरुजनों के उपदेश, माता-पिता के संस्कार तथा हमारे अपने अनुभव—ये सभी हमारे जीवन में प्रेरणा की प्रतिध्वनि बनते हैं। यही प्रतिध्वनि हमारे हृदय में नई आकांक्षाएँ जगाती है और उज्ज्वल भविष्य का मार्ग दिखाती है।
- विद्यार्थियों के जीवन में सपनों का बहुत महत्व है। परन्तु सपने केवल सोचने से साकार नहीं होते। उनको पूरा करने के लिए परिश्रम, अनुशासन, धैर्य और आत्मविश्वास अनिवार्य हैं। जो विद्यार्थी निरंतर सीखने की इच्छा रखता है, वही जीवन में प्रगति करता है।
- विद्यालय केवल पाठ्य विषयों के अध्ययन का स्थान नहीं है, बल्कि संस्कारों, सदाचार, सहयोग भाव तथा उत्तरदायित्व की भी एक महत्वपूर्ण केन्द्र है। यहाँ प्राप्त शिक्षा विद्यार्थियों के चरित्र निर्माण में महत्वपूर्ण भूमिका निभाती है।
- शिक्षक का दायित्व केवल ज्ञान देना नहीं है, बल्कि विद्यार्थियों की अन्तर्निहित प्रतिभा का विकास करना, उनके मन में आत्मविश्वास जगाना तथा उच्च मूल्यों का संवर्धन करना भी है। जब प्रेरणा कर्म के साथ जुड़ती है, तब आकांक्षाएँ सफलता में बदल जाती हैं।
- आइए, हम सभी ज्ञान, संस्कार और परिश्रम के मार्ग पर आगे बढ़ें। अपने सपनों को कर्म द्वारा साकार करें, राष्ट्र की उन्नति में अपना योगदान दें और उज्ज्वल भविष्य का निर्माण करें। यही हमारे जीवन का सच्चा मार्ग है।

Wings of Hope

Flügel der Hoffnung

Dream a little,
dream anew,
Let the sky belong to you.

Step by step,
through joy and strife,
Build the story
of your life.

Echoes fade,
but actions stay,
Guiding hearts
along the way.

Hold your courage,
stand up tall,

For hope has wings
to lift us all.

Träume ein wenig,
träume neu,
Der Himmel gehört
auch dir.

Schritt für Schritt,
durch Freud und Leid,
schreib die Geschichte
deines Lebens.

Echos verklingen,
doch Taten bleiben,
Sie weisen Herzen
den rechten Weg.

Bewahre deinen Mut
und steh aufrecht,

Denn Hoffnung hat Flügel,
die uns alle tragen.
